The days' supply of drugs information has been revised with the following language.

Days' supply of drugs

HIP members may receive a 30-day supply of non-maintenance drugs or a 90-day supply of maintenance drugs. You can also get that 90-day supply in the mail or at the drugstore. HIP members can have the pharmacy set up their 90-day refills for a single date, so you can make one trip to the pharmacy to pick up all your medications.
