

Join Our Networks

Thank you for your interest in becoming a network provider with Anthem Blue Cross and Blue Shield (Anthem). Along with our affiliate, HealthKeepers, Inc., we work to establish and maintain a diverse network of exceptional providers to help ensure our members have uninterrupted access to the health care they need. We look forward to working with you to provide quality service for our members.

Provider Network Participation

For information on provider participation and agreements, see below for a list of Anthem provider representatives by provider type. Based on your provider type and location, contact your designated representative for information.
